3. Include a letter of enrollment and good standing from the appropriate authority at your institution or technical program (Not required for grant).
4. Include a copy of your most recent lifeguard certification.
5. Submit an essay outlining how you plan to use your unique skills, expertise, and education to reduce the global burden of drowning in interesting ways. No specific project is necessary, this should be about how awesome you are and how you plan to share your awesomeness with the world and save lives along the way. Essays should be no more than 1000 words and in PDF format. Seriously, if it is more than 1000 words, it will not be read. We have lives to save.
